

## 2016 Spring Pantone Color Palette

Rose Quartz

The soothing, calming nature of colors in the Spring collections are led by **Rose Quartz**, a persuasive yet gentle tone that conveys compassion and a sense of composure. Like a serene sunset, flushed cheek or budding flower, Rose Quartz reminds us to reflect on our surroundings during the busy but lighthearted spring and

Peach Echo

The fashion and design communities, and consequently, consumers, have been in love with orange for several seasons. Coming to the fore this Spring is, **Peach Echo**, a shade that emanates friendlier qualities, evoking warmth and accessibility. It is an all-encompassing, tempered companion in the playful orange family.

Serenity

Weightless and airy, like the expanse of the blue sky above us, **Serenity** comforts with a calming effect, bringing a feeling of respite even in turbulent times. A transcendent blue, Serenity provides us with a naturally connected sense of space.

Snorkel Blue

A maritime-inspired blue, **Snorkel Blue** plays in the navy family, but with a happier, more energetic context. The name alone implies a relaxing vacation and encourages escape. It is striking yet still, with lots of activity bursting from its undertones.

Buttercup

While the majority of the Spring/Summer palette trends toward calmness, a few diversions from the theme emerge that offer a contrast. With **Buttercup** designers reveal a shining beacon transporting its wearer to a happier, sunnier place.

	A shade of aqua that leans toward the green family, <b>Limpet Shell</b> is clear, clean and defined. Suggestive of clarity and freshness, its crisp and modern influences evoke a deliberate, mindful tranquility.
