

This is a twist on the Barbie Bag. You pull items out of the bag that represent you and the 'blessings' that working Premier has been able to help give to your family. You can pass the bag around and have the guests pull out an item which you then describe how that item represents a blessing you have received since being in Premier.

I would recommend around 7 items, below are some ideas.

1. Glasses = Before I was in Premier, I worked in the corp. world and was concerned with moving up the corp. ladder - not much fun - all business...
2. Picture of Family = Being a Jewelry Lady has allowed me to bring in an income & be a stay-at-home mom at the same time. This is a picture of my husband and children....blah blah blah
3. Plastic Credit Cards = I also been able to help pay down our credit card debts.
4. Big Money = I earn an average of \$200 per show because I make 50% percent of every thing I sell. There's no quotas or territories so you could do 2-4 shows per month and earn an extra \$400-\$800 a month to help pay down debt or take a vacation.
5. Doll Locker -opens w/ books in it= The \$ I make as a jeweler helps me cash for my kid's school supplies and private school tuition

9. Travel (card w/ cruise ship / mickey ears= My jewelry business allows me to travel to other cities and states to do jewelry shows and to attend Rally 2 times a year to see the New Jewelry Lines...This is so awesome because all of my expenses related to my trips & travel are used as deductions on my taxes every year!
10. Fashion Clothes/Barbie = As a jeweler, I attend 1 training per month that teaches me about jewelry, fashion and how to be a jewelry lady
11. Ring (BIG diamond!)= This ring represents "the jewelry"! What's so awesome is that you don't have to be a "salesperson". If you "show it"...you'll sell it". You can wear your product and Premier's Golden Guarantee protects your jewelry from Manufacturing Defects.
