Subject: Premier Designs' Shopping Service

**THERE ARE ONLY \_\_\_\_\_ WEEKS UNTIL CHRISITMAS!**

Are there limits to the amount of time you have to go and purchase gifts for your family, friends, and office staff? If you have answered, "Yes!", then Premier Designs' Shopping Service is here to assist you with your holiday season of gift buying!

As an Independent Distributor for Premier Designs, I am available to help you make these important (and sometimes stressful) purchasing decisions. Our High Fashion Jewelry comes in a variety of styles and is the No. 1 gift item in America today – What woman doesn't love Jewelry?

I would appreciate the opportunity to make an appointment and come by your office for a few minutes to show you my beautiful line. It starts at only \$8... and over 65% of the nearly 500 piece line is \$30 or under! All of Premier's Jewelry is covered by a golden guarantee against manufacturers defects! And remember, with Jewelry, there are no color or sizes to worry about either. In as little as thirty minutes or so, you can make all of your selections.

Plus to make this as easy as possible. I can even gift wrap your selections. Can you think of an easier way to take care of your Holiday Shopping List? Please call me to set up an appointment.

Sincerely,
