

Hostess Gold Card Program

Copy the cards below on yellow or gold paper and laminate them to the back of your Premier Designs business cards. Use them with your Hostess(es) to encourage a sense of bonding and loyalty toward you as her "personal" Jeweler. The laminated cards also work great as incentives for your Hostess(es) to attend and support bookings that come from her Home Show.

*Jewelers who do this say the results are Awesome!
Try It.
You will be glad you did!*
