

Christmas will be here soon...

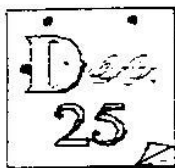

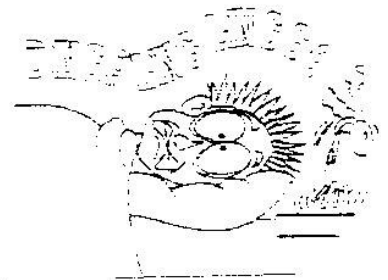

*Tis just weeks before Christmas and all through the house,
not a creature is stirring, not even a mouse.*

*Her stocking is hung by the chimney with care,
in hopes that the present she wants will be there.*

*The men are all nestled all snug in their beds,
while visions of lovely gifts dance in their heads.*

*But soon he will suddenly wake with a clamor,
and with panic he'll realize his
dreams have been shattered.*

*Mondays and Tuesday and Wednesdays gone by,
His shopping not done, and we think we know why.*

*Though this is a busy time of the year,
We're here to help you so please do not fear.*

*You're lady's been leaving hints all over town,
so we're hosting a MEN'S NIGHT to help you calm down.*

*We'll be here to help you - things will be fine,
On December _____ - from six until nine.*

I sure hope to see ya there!!
