FOR THE OPPORTUNITY

if you hear this...

say this...

I'm so broke!

I know a great way to earn extra money.

I hate my job...

I get paid to play with jewelry!

I don't have time...

Work your business around your life!

I could never stand in front of a group...

I thought that too! You wouldn't believe the confidence I've gained since becoming a Jeweler.

I'm not a sales person...

That's the beauty of Premier! It's not about the sales, and the jewelry practically sells itself. I'd love to tell you more.

I don't know how to run a business...

It's so easy and you're never alone. In fact, there's an entire team dedicated to your success. Let's meet so I can tell you more!

I'm not that into jewelry...

The great thing about being a Premier Designs Jeweler is being part of something so much bigger. I'd love to talk to you about the company.

FOR BOOKING A SHOW

if you hear this...

say this...

I'm so broke!

That's the best reason to host a show. You can earn your faves free as a Hostess, and your friends will love the jewelry!

I don't know many people or who to invite...

No problem, small Jewelry Shows are really fun! I can help you think of people to invite, and we can always ask your friends to bring a guest.

I don't have time...

I understand! I can show you how to keep it simple and help with the invites.

I have too much jewelry already...

Jewelry makes a perfect gift!

I'll think about it and let you know later.

Let's pencil in a date tonight because I book up fast. Then I will follow up with you tomorrow when you have a chance to check your schedule.

I'm remodeling my home...

That's ok! We can have your show anywhere. Or, we can plan it when your project is done, so your friends can see the updates and jewelry!
