

# SHOWING THE NUMBERS

Sponsoring Activity

**M stands for MONEY.** *Hold up FIVE \$100 bills.* Did you know that the average American household needs just an extra \$500 a month to help make ends meet? I hope that none of you are in that position, but I do believe you know someone who is and I would ask you to share this information with them. And, I promise you that the info I'm about to share with you comes with a NO STALKER Guarantee!

## **\$\_\_\_\_\_ Dollar Amount**

This is the amount of FREE Jewelry I gave away to my hostesses last month. Premier even paid for all that!

**0** is the amount of deliveries I made! How great is that?!!! All the jewelry is shipped directly to the hostess and she gets it to her friends and family.

## **\$\_\_\_\_\_ Dollar Amount**

This is the profit from my shows last month. That's the amount of money that went into my bank account!

## **\_\_\_\_\_ Number of shows I had last month**

This is the number of times I got off my couch and went to work to play in jewelry & eat yummy treats last month.

## **50%**

This is the amount that I get to keep, whether I am at a show with all of you or even if I am at Kroger and the deli lady loves my necklace and buys it right off my body! Any time I sell a piece of jewelry, I keep half!

## **0 is the amount of inventory I have to keep**

Ladies, this is my jewelry box. All of this is my jewelry to show and wear! Plus, I have ZERO quotas to meet.

## **Priceless**

What is priceless to me is *TELL YOUR STORY (example: paying off debt, making new / lifelong friends, a family vacation with my Premier \$, spending time with children, etc).*

## ***DON'T FORGET YOUR "CALL TO ACTION"***

Ladies, those are just some real quick numbers and the scoop about Premier. If anything I shared spoke to you or you are thinking, gosh, this would be perfect for my sister or daughter or friend, I have some info you can take with you. I'll even treat you to a cup of coffee to talk about it more, if you'd like.
