Dear Friends,

For some time now, I have been contemplating getting back into the workforce. My ideal job would be enjoyable and have flexible hours so I can schedule work around my family activities. Dream on, right? Well, in May, I heard about a business that I believe fits the bill for me. I am going to have my own business through Premier Designs – a dynamic company founded on Christian principles that offers beautiful, high-quality, affordable fashion jewelry.

The official launch of my business is Thursday, July 16th at 7:00 pm! Please come by to see the jewelry and learn more. More importantly, come for the fun, fellowship and food! I promise, no pressure. I just want you to see what I am excited about and you take it from there!

Some of you have hosted home parties before and know how great it is to earn FREE products. The Premier hostess benefits are some of the most generous I have ever seen! If you would decide to host a show, you get \$25 of free jewelry just for having your show on the date scheduled. And, that's just the beginning!

If you are unable to attend, I would love to show you a catalog. Just give me a call. I am looking forward to seeing you on the 16th!

Sincerely,

Susie Jeweler
