Dear Friends,

I am thrilled to tell you about an exciting decision I've made!

As you know, we are expecting a baby to join our family! We have decided that I will be a stay-at-home Mom after the baby arrives, and I've discovered an incredible business that will allow me to make great money as well!

I am starting my own business through Premier Designs – a dynamic company in Dallas, Texas that offers beautiful, high fashion jewelry. The official launch of my new business will be Thursday, July 16, at my home at 7:00pm. I'd love for you to come and see the jewelry, and help get my new venture off to a great start!

I am so excited about this business, and all the great jewelry I will be wearing! If you are not able to attend, I'd love to show you a catalog. You'll see why I am so excited about showing this great jewelry. You may even decide to host a show and earn lots of jewelry – FREE! The Hostess Benefits through Premier are amazing!

I'm looking forward to seeing you on July 16th!

Sincerely,

Susie Jeweler
