

Twas the Season Before Christmas

Twas the season before Christmas, when all through Premier
The home shows were filled with holiday cheer.
With over half the year's sales in the next hundred days,
We must strengthen our business in spirited ways.
Make your jewelry look gorgeous, sparkly and bright.
Replace missing tags 'til it all looks just right.
Use holiday paper for surveys and lists,
Add red and green folders for a holiday twist.
Use stockings and such - use a decorative touch
Nudge your guests to 'Shop now and avoid the mall rush!'
Use stockings and ornaments, seasonal boxes and bows,
Your business will grow before the first winter's snow.
But out in the land there arose such a clatter,
Andy sprang from his bed to see what was the matter.
No bookings you say? Fix that in a flash,
With all these ideas to make holiday cash.

Email past hostesses, for they'll surely book.
They'd love some new jewels to spice up their look.+
Pull 'Maybe Later's' from your surveys of old,
One look at the new catalog and they'll surely be sold.

Or host it yourself, bring your friends to your house,
Host football parties for men and also their spouse.
Book vendor fairs, craft shows - show the new bling,
Get contact information and then give them a ring!

"Use Wish lists!" Call Offices - help them buy their gifts.
And wrap and deliver - A great service twist!
To the top of the porch! to the top of the wall!
Now dash away! Dash away! Call, call, call, call!"
As you dress for your shows, wear green or wear red,
And bring hope to others, as our dear, sweet Joan said.
Use holiday icebreakers, like Christmas left right.
All your guests are sure to have a fun night.
Give your retail a boost, make a list of good bling.
Gifts that make even your mother-in-law sing.
Tell your hostess, 'Be sure to use all your half price!'
Then your CV AND retail will be oh-so-nice!
Now do keep in mind, that during this season.
You're doing more shows, and that is the reason.
You'll meet more new prospects that have their own needs,
So keep your ears open and plant all those seeds.

For where else can you find job a job that's this fun,
Selling beautiful bling rated second to none.
Enriching lives - giving hope, for that is our call.
And Premier is the greatest gift of them all.

So make all your calls and get straight to your work,
Book all those shows like you're going berzerk.
And laying a finger aside of your nose,
You'll say, 'I can't wait to watch my business will grow!'
